

PUBLIC MEETING INVITATION

Thurs. January 5th, 4:30-7:00pm

Washington City Hall-Council Chambers

111 North 100 East, Washington, Utah

Washington City and the Utah Department of Transportation (UDOT) invite you to attend a Public Meeting for the Telegraph Street (500 West to 300 East) project.

Building a road is a process that can take from several months to several years. Early public input is important. The purpose of this meeting is designed to:

- Introduce the project
- Obtain public input on transportation and environmental issues within the corridor

- Open to the public
- Children welcome
- Refreshments provided
- Come & go as you please

For more information or to submit your comments, please visit our website at <http://www.udot.utah.gov/telegraphstreet> or email us at telegraphstreet@urscorp.com. To speak with a project representative, contact Andy Powell at 801-904-4071.

Representatives from Washington City and UDOT will be available to answer questions.

Recipe For A Happy New Year! - Anonymous

Take twelve fine, full-grown months; see that these are thoroughly free from old memories of bitterness, rancor and hate, cleanse them completely from every clinging spite; pick off all specks of pettiness and littleness; in short, see that these months are freed from all the past—have them fresh and clean as when they first came from the great storehouse of Time. Cut these months into thirty or thirty-one equal parts. Do not attempt to make up the whole batch at one time (so many persons spoil the entire lot this way) but prepare one day at a time.

Into each day put equal parts of faith, patience, courage, work (some people omit this ingredient and so spoil the flavor of the rest), hope, fidelity, liberality, kindness, rest (leaving this out is like leaving the oil out of the salad dressing—don't do it), prayer, meditation, and one well-selected resolution. Put in about one teaspoonful of good spirits, a dash of fun, a pinch of folly, a sprinkling of play, and a heaping cupful of good humor.

Washington City News

MAYOR'S MESSAGE

Another year has passed and we look forward to the New Year ahead. Many things are happening in Washington City and some have been planned and looked forward to for a long time. The installation of the traffic signal at Main Street and Telegraph Street and the traffic signal at Middleton Drive and Green Springs Drive will begin in January. The widening of the Washington Fields Road around Nichols Peak will also begin after the first of the year.

Our new Public Safety Department will be up and running January 1st under the leadership of Chief Jim Keith. We have worked towards having this department for many years and look forward to improved safety in our city. Chief Keith has spent many hours interviewing and selecting employees for this new department. He will begin the task of training and organizing the personnel into the best Public Safety Department in the State. We welcome all of them to our City.

I want to recognize our fire department who is also heavily involved in the Public Safety aspect of our city. They are all volunteer citizens who spend countless hours behind the scene protecting our homes and property from fires. They are many times not given the recognition they deserve and they have done an excellent job under the direction of Chief Dwayne Isom for so many years. I want them to know what that we all thank them and appreciate all they do for us citizens.

We have an excellent group of elected and appointed officials that serve all of us so well. We also have excellent employees who perform their jobs on a daily basis with diligence and dedication to the citizens. May we all work harder to be better citizens of Washington City and make this the best place on earth in which to live.
